

Vision and Aims

Worlaby Academy has set our vision and long term ambition for the development of high quality Physical Education and activity in the form of an action plan. This shows our objectives for the next two years of funding, the sports funding will allow us to develop School PE and sport and embed good practice for the future.

Through the delivery of high quality we hope to give, every child will leave our academy enthused, motivated and inspired. They are confident to try new sports and many excel.

In order for Worlaby to achieve and maintain our vision the plan will focus on the following areas:

- **To improve the PE experience for all young people (education)**
- **To increase the physical activity levels of all young people (healthy lifestyle)**
- **To enable more young people to take part in school sport above and beyond PE (clubs, coaching and competition)**

An action plan has been written to ensure we improve PE and school sport addressing the three main areas.

Objectives
PE curriculum is planned to ensure full coverage and a clear progression in skills
PE lessons are led by confident and competent staff
Young people have the opportunity to be leaders as well as participants
To develop programmes of activity to increase the physical activity of young people
To develop a programme to enable all young people to be active at play/lunchtimes
To increase the number of opportunities for the children to take part in competitive sport outside of the curriculum and have the opportunity to compete at a higher level
Children to experience a variety of sports
Children are signposted to community provision in sports outside of school
To promote the provision of school sport
To develop stronger partnerships between other schools and key partners

Worlaby Academy has spent a proportion of their funding on joining the North Lincolnshire School Sports Network. This will allow us to make stronger links with other schools, enter more competitions and access a range of CPD courses.

You can find the events and competitions we have been part of in our events and competitions section of the website.

Mid-Year Update

Objectives	What we have done so far
PE curriculum is planned to ensure full coverage and a clear progression in skills	Mrs Noble has worked with Miss Notman to draft a long term plan and is beginning to develop lessons around this. This will include lessons on OAA.
PE lessons are led by confident and competent staff	Mrs Hatton and Miss Ford have attended training on teaching gymnastics. Miss Ford has attended training on teaching dance. Dance coaches have worked with all of Key stage 2 to help make links

	<p>with our topic work.</p> <p>Teachers have fed back to each other about their learning.</p> <p>The school has been mapped to allow orienteering to take place and the staff are having training from Miss Notman on OAA lessons on March 24th. (outdoor and adventurous)</p>
Young people have the opportunity to be leaders as well as participants	<p>Four year 6 children have attended ambassador training and are working with Mrs Hatton on having play leaders at break times.</p> <p>The ambassadors will help with sports day and have planned house competitions with Mrs Noble.</p>
To develop programmes of activity to increase the physical activity of young people	<p>The Academy has taken part in the Get Going initiative to encourage physical activity and healthy lifestyles among those children who do not attend extra-curricular activities.</p> <p>Mrs Grey attended training on March 5th for setting up a Phizzy club in key stage one (a similar principal to the Get Going initiative). This will begin in the summer term.</p> <p>Street sport leaders have been in to promote the Tuesday and Thursday sessions in Brigg and Ferriby. Mrs Noble has worked alongside them and the council to obtain free transport to these sessions and we now have regular attendees.</p>
To develop a programme to enable all young people to be active at play/lunchtimes	Mrs Hatton is working with the young ambassadors and lunchtime staff to encourage active play.
To increase the number of opportunities for the children to take part in competitive sport outside of the curriculum and have the opportunity to compete at a higher level	<p>Joining the partnership has increased the number of competitions we have access to on a regular basis within our cluster and the cluster as a whole.</p> <p>We have continued to be part of Scunthorpe Sports Federation and attend competitions regularly.</p> <p>(see events and competition section)</p>
Children to experience a variety of sports	<p>As above</p> <p>Children have had access to different sports such as dance, curling, football and indoor athletics through coaches and Mr Briscoe, our cluster leader.</p>
Children are signposted to community provision in sports outside of school	<p>Street sport leaders have been in to promote the Tuesday and Thursday sessions in Brigg and Ferriby. Mrs Noble has worked alongside them and the council to obtain free transport to these sessions and we now have regular attendees.</p> <p>Assembly on martial arts club (Feb 2014)</p>
To promote the provision of school sport	<p>Teachers are becoming more confident in their teaching and realise the importance of sport. The Academy has not let PE time disappear with the hall being out of use for so long.</p> <p>More clubs are available after school and both Mrs Hatton and Miss Ford have expressed that they would like to start a club once the hall is back in use.</p>
To develop stronger partnerships between other schools and key partners	The Academy has developed strong links through the partnership and with Miss Notman.

The remaining funding for this year will be used to:

- Release the subject leader allowing time to develop the curriculum further and complete the long term planning
- Develop the young leaders and staff skills to ensure playtimes are active
- Invest in resources to allow new initiatives/clubs to run eg netball bibs and balls

This information was up to date and correct on the 10th March 2014
