Dear Parents and Carers,

SEN parent questionnaire analysis

Thank you to those parents and carers who filled in and returned their parent questionnaires. This year we had a 100% response rate to the questionnaire, thank you. This questionnaire tells us what we are doing well and what we can improve.

There were some lovely comments to read on the questionnaires, thanking named members of staff for their support in your child's learning journey. These comments have been passed on to the staff, thank you.

Questionnaire results:

- 100% of the respondents said their child was well supported with their learning needs
- 100% of the respondents said they understand how their child is progressing
- 100% of the respondents said their child is happy in school
- 100% of the respondents said they feel a part of the reviewing process alongside our staff
- 100% of the respondents feel their views as parents are listened to
- 100% said there was nothing more that Worlaby Academy can do to improve its policy or service.

As you can imagine, we are thrilled with the results of the questionnaires. Please feel free to email/chat to us at any opportunity if you wish to discuss any aspect of your child's progress- there is no need to await a questionnaire to come your way!

Thank you all again,

Yours Sincerely,

Mrs Charlotte Shearwood
