Uniform Policy

Dear Parents and Carers,

As you begin the holidays, no doubt it will feature the 'school uniform' shopping day.

At Worlabby Academy, we pride ourselves on setting the highest standards achievable. This includes how we present ourselves to others and as an Academy. With the introduction of the new Delta Academy uniform, we want to ensure we are demonstrating the same pride in our appearance as all the other Academies in our trust. This letter is a reminder of the school uniform expectations.

Children in Reception to Year 4 wear black or grey school trousers/skirts/shorts with a white polo shirt and the new Delta Academies Trust school sweatshirt. In summer blue checked dresses can also be worn.

Children in year 5 and 6 will require white school shirts and Delta ties. Ties can be purchased from the school office at £4.50 but we will gladly donate an initial tie to any family that requires one. Please ask at the office.

As the year ended, there were a number of children wearing trainers in various colours. Whilst I fully understand that in summer term purchasing new black shoes, when children will grow over the summer, could be seen as a waste of money. Please can I remind you that **trainers are NOT part of the school uniform** (with the exception of during PE). **School shoes should be black. If they have laces, then the laces should also be black.**

A Full PE kit is required. This comprises of black or blue shorts, a white t-shirt and a pair of trainers. PE uniform should be plain clothing with no logo or stripes. In addition, you may wish to provide your child/children with a black/navy or grey tracksuit for the autumn and winter months.

Can I also take this opportunity to thank all families that completed the pre loved uniform questionnaire. We were delighted to hear that everyone that completed the questionnaire would be happy to donate existing uniform and that the vast majority of you would purchase preloved uniform. As per previous correspondence, we have organised two drop off and collection times. Those times are **21st July at 8:30am and 3:15pm.** This will be set up on the playground and will be managed by some of the Eco club children. We also advised we will arrange a further drop off and collection in early September, as many of you will wish to keep

hold of some uniform until the end of term. **A polite request for all uniform donated to be washed prior to donation.**

If you have any questions or concerns about the uniform policy, please do not hesitate to contact Mrs Hatton or Mrs Porter.

Many thanks,

Sharon Hatton

Principal
