

5^h January 2023

Dear Parent/Carer

Re: 'Get Glowing' Event: Thursday 26th January 2023 Donaldson Class

We have an opportunity to take part in an exciting event at an indoor venue in Brigg. This event is a non-competitive event which involves the full class taking part in some fun physical activities involving the use of UV lights in subdued lighting. This event is run by the Get Ahead team for North Lincolnshire school sport.

Key Stage 1 participated in this event several years ago, prior to the COVID pandemic and the children thoroughly enjoyed the fun nature of the activities in very low lighting. Children in Rowling Class participated in this event for KS2, just prior to the Christmas break and thoroughly enjoyed it.

This event is during the school day, leaving after an early lunch and returning before the end of the school day. The children will be accompanied by 2 adults from the academy.

Please sign the form below to give permission for your child to attend, travel by bus and ensure they have their PE kit and a **water bottle** in school on the day. If they do not have a water bottle on the day, we will add a bottle on to your payment system account as we cannot take cups to the event.

Please return forms by Friday 13th January 2023.

Kind regards

Mrs Clark
Class teacher & PE lead.

Please return forms by Friday 13th January 2023

I give permission for my child/ren _____

to travel by bus and attend the 'Get Glowing' event during the afternoon on **Thursday 26th January 2023.**
