Dear Parents/Carers,

Re: Dallowgill Environmental and Outdoor Education Centre Residential Trip – Mon 20th March to Weds 22nd March

Dallowgill Environmental and Outdoor Education Centre is situated in the heart of Nidderdale, an Area of Outstanding Natural Beauty and owned by Delta Academies Trust. The centre supports enrichment across the curriculum, giving pupils access to nature and learning important life skills. Pupils will be given the opportunity to cook basic meals, keep areas clean, share an appreciation for nature and share memorable experiences.

The area around Dallowgill provides a huge range of opportunities to support curriculum-based activities and bring learning to life. Mrs Furmage and Mrs Grey will be attending along with myself.

The cost of the trip is heavily subsidised by the school, we are asking for voluntary contributions of just **£55** per pupil. Activities will not be confirmed until parental/carer agreement has been received to ensure we can raise sufficient contributions for the trip to proceed.

If you would like your child to attend our residential, please return the form below **and return to the office by Monday 30th January** so we can determine viability/attendee numbers.

If you have any concerns regarding the trip or payments for the trip please call into the school office to discuss the matter confidentially.

Yours sincerely,

Jemma Reeder

Assistant Principal

Please return to school by Monday 30th January 2023

Re: Dallowgill Environmental and Outdoor Education Centre Residential Trip – 20th – 22nd March 2023

My childwould like to attend the Dallowgill Residential Trip in March and I agree/ do not agree to pay a voluntary contribution of _____.
