

21<sup>st</sup> September 2022

Dear Parents/Carers,

Please find attached some information about some **free** local events for both reading and physical activity.

**Reading:**

'No Limits' is a **free** event at Normanby Park. It has been organised by The Rabbit Hole book shop in Brigg and features workshops with many authors and illustrators, many of whom we have come across in school such as AM Dassu (who we have a class named after) as well as Rob Biddulph whose illustrations we have looked at.

There are over 40 names on the list, I am sure if you goggle some you will recognise their books. What a fabulous opportunity to meet some of these people. I am sure Dassu would love to meet someone who goes to the school she had her first class named after!

**Physical Activity:**

Elsham Golf Club are offering the opportunity for some **free** taster sessions. There are some specific slots for primary school children and some for just primary age girls. (There are some for older children if you would like to share the information.)

The club has a successful junior section beginning playing shorter distances, moving on as you develop, to playing the full course.

As a local facility just at the end of the road, this is a fantastic opportunity!

Mrs Clark
