Dear parents and carers

Thank you for taking the time to complete the parent questionnaire. I am pleased to be able to share the results with you.

For those of you that included your names and have written comments that are either specific to your child alone or raise a few questions before a response can be prepared, I will contact you individually.

We are delighted to receive such positive results from the questionnaire, but of course are always looking for ways in which we can improve.

We have focussed on 1 key area in terms of improvement

5) The school makes me aware of what my child will learn throughout the year.

This was the only area in which some parents disagreed with the statement. 12% of parents/carers disagreed with this statement. To make parents more aware of learning taking place we have added a curriculum map of what your child will learn this term, to the website. To find this information, visit Worlaby Academy website. Click on the Curriculum overview tab. Scroll to the bottom of the page and click on your child's class.

As a reminder, you can always see learning taking place on our Twitter account [@deltaworlaby](#) and the Sway newsletter also details the learning that has taken place in the previous term. There is a link to our Twitter feed on the website at the bottom of the home page.

Please find attached the results of the questionnaire and some of the comments from parents. Please remember that you can always approach us at any time with any issues that you may have.

Individual comments will be responded to as soon as possible

Kind Regards

Sharon Hatton (Principal)
