

5<sup>th</sup> July 2022

**Dear Parent/Carer**

**Re: School Sports Week**

We will be holding our annual school sports and wellbeing week from Monday 11<sup>th</sup> July – Friday 15<sup>th</sup> July. This has been a regular annual event on Worlaby Academy's calendar for a number of years and always proves a fantastic week, giving the children a fabulous opportunity to be active in the sunshine (fingers crossed), ready for the summer break.

The children can attend school each day in their school PE kits. Please keep an eye on the weather forecast for appropriate clothing, sun hats and cream. Please ensure application of sun cream prior to school (Children can reapply themselves at lunchtime if necessary, but there will not be time on arrival at school for applying sun cream as activities will start promptly).

The children will have the opportunity to participate in a number of activities across the week. Some activities will be provided by external DBS checked people, but children will be accompanied by school staff at all times. These activities will be at school and the village playing field.

Weather permitting our annual house team sports day will be on Wednesday 13<sup>th</sup> July at the playing field. We will start the afternoon at 1:15. As in previous years children will be sat one side of the track and adults will be asked to sit opposite, behind the tape.

If the children have a coloured top/hairband/socks/hat in their house colour (their merit card colour) they can wear it for the day. If not, we will provide some coloured stickers for them.

Please ensure reading books are still brought to school daily.

Yours sincerely

Mrs Clark  
PE Lead
